

Fall Clay Creations

The *Friends of the Visual & Performing Arts* are pleased to offer a hand building clay class this fall. This class is for the beginner to the more skilled clay artist. Learn the hand building techniques of pinch, coil and slab to create unique and personalized pottery or sculptures of your choice. You will finish your pieces with glazes, paints or marbling techniques to enhance each individual project. The number of finished pieces is entirely up to your interest and ambition. So wear old clothes and join your fellow clay artists to learn new skills or hone your existing skills to create clay creations as unique and imaginative as you are.
